**SUPPLEMENTAL APPELLANT'S BRIEF UNDER 37 C.F.R. 1.192**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The following is the supplemental to the Appellant's Brief previously submitted under the provisions of 37 C.F.R. 1.192. The fee of \$500 (large entity) required by 37 C.F.R. 1.17(c) was included in that previous submission.

Applicant's representative recently received an "Order Returning Undocketed Appeal to Examiner" for an unrelated case that is on appeal, whereby Applicant's representative believes that this case might also receive such an order, due to the similar structure of the Appellant's Brief previously submitted in this case.

In particular, in order to make the previously filed Appellant's Brief compliant with the PTO rules in 37 C.F.R. § 41.37(c):

a) Please change the heading for Section 5., "Summary of Invention", to "Summary of Claimed Subject Matter".

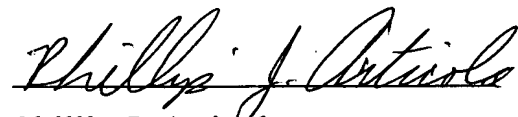

b) Also, please change the heading for Section 2., "Related Appeals and Interferences", to "Related Proceedings", and please change the text in that section after the heading to:

"There are no related proceedings that will directly affect, be directly affected by, or have a bearing on the present appeal, that are known to appellant or the appellant's patent representative."

c) Lastly, please add the following section, at the end of the Claims Appendix:

"11. Evidence Appendix  
N/A."

Respectfully submitted,
